

To Submit Photos or Stories

Don't let our stories and experiences disappear as we die off. I want to be adding the names of handlers and dogs until the day before I pass the keyboard over to another. I have been working on handler & dog list for over 20 years now. I'm sure that I still have dog teams not listed.

If you have a story, send it. Remember the site is for kids, and grandkids also. So keep it fit for a family.

If you have photos, scan them as a jpeg and send to me as an attachment. One hint, if it is a Black & White photo, scan as a grayscale. If you scan it as a color print, the file size is huge. If the color dyes have shifted to bad, just scan and send to me. I use Photoshop and can easily remove scratches, dust spots, blemishes, etc. If I can clean up a photo, I will send you a copy it.

Thanks
