12th SPS and 483rd SPS Cam Ranh Bay AB, 1970

While going through some of my old gear I found three Deros calendars from Vietnam. I'm sending two of them, but the third about the Freedom Bird was too large to scan. I hope you get these and they can be used. I served at Cam Ranh Bay AB 1969 - 1970 with the 12th and 483rd SPS.
