

What's It Like, My Dear?

Letter

(c) 2014 Don Poss

What's it really like my dear?
Is it as boring as they say? We
are winning, right?
So the news says, and
There's Light at the end of the
tunnel...

But what I'm not quite sure.

When I saw you in Hawaii
You seemed not *just the same*.
So, what's it like my dear, is it
scary?

XOXOXO
