

Still There?

Sorry Lord

(c) 2014 by Don Poss

I have known The Lord as my Savior
since age eleven.
I will soon be 70.

I am grateful for His presence in my life, and
for the doors He has opened and
closed to me.

I have four brothers:
one in Florida,
one in Idaho,
one in heaven.

We are all veterans;
Two of us are still fighting
the night war in Vietnam.
And two bear scars for their service.

I wonder
if there are some things
that "Sorry" won't cut it with God?

Soon to be 80 . . . Thank you Lord.
