We are all allotted a limited amount of time on this earth.

Some more than others, there is no answer as to whom
are why and I guess that's why it's called life!

There are "Days of wine and roses" and day of sadness
and sorrow and as long as they don't all come in a row,
we manage to survive.

However, on a whole, my life has been a long and fruitful one.

My most cherished time was spent serving my country and that's why in my
Twilight-

"I am so honored to have marched with heroes!"
