### War Dogs...

A Day To Remember:

The Veterans...

... the rain

the press... CNN... ABC

... the fly-over

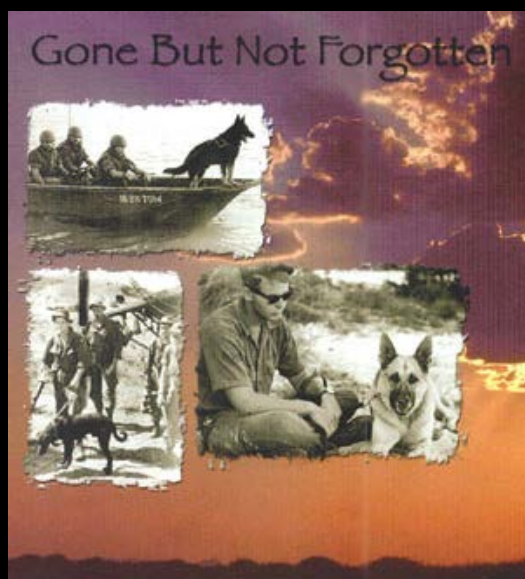

the Music... the tears ... the joy

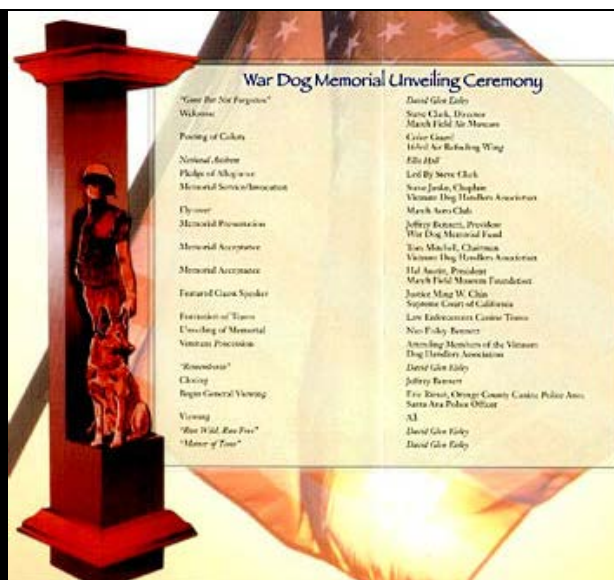

... Old Glory in review

... and nearby

a hundred thousand honored, rest in eternal peace...  
but most of all... the War Dogs,

and our day to remember them... together.

The image shows a program for the War Dog Memorial Unveiling Ceremony. On the left is a photograph of a bronze statue of a woman in a military uniform standing next to a dog. The program text is as follows:

Rememberin'

Old heart, hearing me callin, through the years, long ago  
Let a smilin face of an old friend come in let me know  
That all is not forgotten, all we gave and all we let go  
Will live forever beyond heaven  
It's the only world we've know n

Oh rememberin all we had done  
Oh rememberin all we've been through  
Oh rememberin the last fading son  
Who looked up to you

Old friends we are united through God's good fortune  
It's shone in our eyes  
True blood brothers sharing a memory  
Of the ones we left behind  
Oh rememberin all we had done  
Oh rememberin all we've been through  
Oh rememberin the last fading son  
Who looked up to you

And if tomorrow father times takes me pleasr remember how I feel  
For all my pride was standing by your side  
And with this I'll say farewell  
We will remember all you have done  
We will remember all you've been through  
We will remember your forgotten sons  
Who looked up to you

Always remcmberin  
Always rememberin  
Always rememberin

Remembering...
