

Borrowed Time

No One Lives Forever

(c) 2014 by Don Poss

Wounded and dead
All too near. There's no way
I will ever make it out of here.

Time passed and attacks
Got worse. Defend the Fortress...
Take a ride in a Hearse.

100 days left . . . I got my
Short Calendar. Just maybe . . .
Maybe, I'll get out of here.

Last day in Nam I gave away my
stuff,
Got on the Freedom Bird
Flew out of the tough.

Home a week.
No one understands what war is
like in that Foreign Nam land, and
the new found truth:
No one
Lives
Forever.
