

Just A Little More Time, Lord

Life can be a long and challenging journey for most
We are faced with many situations as we go through it
Most things are very good experiences but some are not

We grow up and we go to school to learn many new things
We learn of the past, the present and look to the future
Hoping that we can contribute to a better way of life

Some will go on to college, some will go straight to work
Then still some will enlist to defend our nation & citizens
keeping us all safe so we can enjoy the freedom they give

At times their lives are cut short so that others may live
Some have been wounded and will spend their lives healing
But there are others who have been given a death sentence

They were exposed to deadly toxins & chemicals unknowingly
Years later the exposure causes a terminal future for them
With his family to care for they will now face losing him

This veteran knows what his outcome will be and he faces it
With the same courage that he showed fighting for freedom
He fights his biggest battle with little hope of survival

He does not blame anyone for his fate for it was his choice
He did what he could to save others while he defended freedom
He doesn't ask for any ones pity nor for any special favors

He only prays for just a little more time lord for his family
Just let me have one more CHRISTMAS with us all together lord
Let me get everything in order before I have to leave for good.
