USAF Air/Security Police Millennium Coin!

The coins are available to all... no restrictions

I've ordered mine, have you?

89th Security Forces Squadron, Top Four, Andrews Air Force Base, has just commissioned a USAF Security Police Millennium Challenge Coin--a world-class challenge coin. The coin is 1 3/4" in diameter and produced in a silver finish. The die-struck coin has the USAF Security Police Millennium coin on the front of the coin with the red, white, and blue colors of the coin included. The reverse side of the coin contains all the career field names since our inception: *Military Police, Air Police, Security Police and Security Forces* with a star between each name. The outer reverse ring, which contains the career field names, has a blue enamel background. The center displays the first issue Air Police Shield and the Defensor Fortis Flash... both in blazing color! The coin is produced by Striking Impressions (customers include: The White House, FBI, Secretary of the Air Force, Chief of Staff, USAF; to name a few). This beautifully crafted commemorative Millennium Security Police coin is presented as a unit fundraising effort, for the **89th Security Forces Squadron Top Four, at Andrews Air Force Base, Maryland**, to honor USAF Security Forces entering into the 21st Century. Our slogan is "Saluting the Millennium -- Honoring Those Who Have Served."

About the coin Fundraiser

This effort is a private fundraising venture and is not sponsored officially by the U. S. Air Force, nor the Vietnam Security Police Association. Please join us in paying tribute to those men and women who have proudly served in our career field.

The intention first and foremost for commissioning the coin is to honor those men and women, past and present, like yourself who have sacrificed on a day-to-day basis to serve and protect our country and the freedom we all so deeply cherish.

I asked everyone who has purchased a coin to provide me their thoughts and feedback on the coin. Everyone has had very positive remarks about the coin. I am very confident you will be well pleased with your coin.
