I've watched the page and links improve for a couple of years now and was really happy to see the **VSPA Crests & Patches**. I've been trying to collect the patches just from the units I was in while serving as an AP/SP. Attached are color scans of patches from my SP Flight at Cam Ranh Bay AB. I went to the reunion in October 1998 and spent time with guys I hadn't seen in 30 years, including two that were hootchmates. I was the only one that still had these patches from Phantom Flight. We worked only at night, all night and usually got a night off every 30 to 45 days.
