

A1C Al Handy

Submitted by Steve Ray

A1C Steve Ray: Airman Al Handy was TDY from George AFB, and had been in country about a week. A then friend of mine, an **A1C Joseph** (can't remember the first name) who was part of the Response Force and some distance from where I was posted, later related the following to me:

As we swept down the taxiway, Handy came running and stumbling toward our group shouting his name. When he reached us, he said that he was out of ammunition, and wanted to get more! According to A1C Joseph, Handy was really a mess, and could barely talk coherently. At some point, Handy was transported back to the compound, and OSI grabbed him to debrief him about the death of SSgt Jensen.
