These pictures were all taken at China Beach (a navy installation with security provided by all services) in November 1968.

I was assigned to China Beach (TDY after returning to Đà Nẵng from Đông Hà assignment). I extended my VN tour for 6 months after learning that I would be assigned to Minot, N.D. at the end of my usual 12 month duty. After I took a 1 month leave in the U.S., I was reassigned to Đông Hà for the rest of my extended tour. My primary base was 366th Security, Đà Nẵng. All assignments were from this base. *SSgt Mel*

These pictures were taken when I was assigned TDY from Đà Nẵng to China Beach, for about a month, after TET 1968. Mel Hecker
