Airman Charles McIlwain inspecting damaged truck struck by many fragments from Viet Cong mortar shells, after attack by the well-armed Viet Nam insurgents on American marine base at Da Nang. The Viet Cong made surprise attack with mortars and then fled with weapons before Americans could retaliate.

1. My job is to defend the principles of my Country.  
 2. My job is to protect US property and personnel.  
 3. I'm trained to fire my M-16 automatically.  
 4. I'll kill Viet Cong without hesitation.  
 5. I'm the only defense against attack if the VC get through the Marines. If they do, they're dead.
