RESTRICTED AREA

FREE FIRE ZONE

By entering these pages, I agree not to criticize my brothers who write or share in confidentiality what they must.

All articles or stories must be signed by the author. No exceptions.

The purpose of this area is to provide a format for Topics not covered elsewhere, and to allow the expression of opinions without censorship. Venting, if you will. Illegal threats against the President, or another person, are not allowed. If strong language is offense to you, do not enter this area. Some restrictions, yet to be defined, may be enforced. In other words, keep it reasonably clean and void of death threats and it will probably get posted: Free Fire, in a Friendly Fire Zone.

We Lived. They Died.

We Take Care of Our Own
