I took the [K-9] picture in 1967, you may use both pictures. It is an Air Force Military Policeman and his dog. Early morning shoot.

[There appears to be a second Security Police K9 just behind the bunker.]

The town was a village and is now a hotel location and not a town. I was an Army operations officer for the Hawk Unit on the island June 1967- December 1967 then to Cam Ranh till Jun 1968. Was at Cam Ranh during Tet and back to the island 25 times or more.
