I received the below pictures from Bill Mack (who was a MP stationed at Camp Friendship which was next to Korat RTAFB) he is looking for members of the Town Patrol, 1969-1970. [Mike Diercks](#)

I am trying to locate any members of the 388th Security Police Sq., who served with me on Korat Town Patrol, in the years 1969 thru 1970. I have enclosed a couple of photos of our Town Patrol. They were a great bunch of guys. We patrolled jointly with the Security Police of the 388th, and the 219th. I belonged to the 219th MP Co. Can you post any of these photos on your website, along with my email address? Any assistance you give me would be greatly appreciated.

We had a crazy bunch of guys at Korat 72-73. We had *unofficial* berets with a tiger emblem patch. One time the flight chief got upset because everyone at guardmount was wearing different head-gear. He said we had to wear caps with a bill (camo baseball caps) style. One of the guys, Sgt Day, (I wish I could remember his first name) showed up at guardmount with a custom made ball cap with a bill 18" long. He also had his uniform pants tailored. He had the tailor add some additional material at the bottom of the leg. He had them tailored into 'bell bottom' fatigues. One of the most fun assignments of my 26 year career.

Thankyou,
