**Steve Davidson - Comment:** I have a better understanding of how things are now, but I don't agree with the "Washington D.C. bean counters" [not issuing Purple Hearts to Mayaguez SPS], but that's not unusual. Sgt Bob Wayne Ford was a good friend of mine. We were stationed together at Kingsley Field, OR, from 72-75. He left for Thailand in early 1975 and I was attending Camp Bullis en route to Korea when we first learned of his (and the others who were killed) death in the helicopter crash. You have a great web site and I'm glad to see that all Security Police who served in Vietnam are honored and remembered with integrity.

Thanks! Steve Davidson.

I think the plot is S21. He is in the area where there are no headstones. He has a Silver Star on a stake that says veteran on it. When you are facing the cemetery at the main gate he is to the left, the section is almost to the farthest side, towards the front. Please let me know if there are any grave sites here in southern Oregon that I could visit. I will try to scan the photo and send it to you; I will need my son to help. *Happy Holidays, Patricia Jensen.* [SSgt Jensen had two daughters who would enlist in the Air Force as Security Police.]

**Comment - Michael Quinlan:** I didn't know SSgt McFadden well. I had arrived a U-Tapao in early March after nine months at Takhli. SSgt. McFadden was our section leader for Delta sector, the beach part of the perimeter. Each night, at Guardmount, he would call out the present-for-duty roster to, "yo", or "here". We were A bit ragtag, in the heat of the night. Four sections of SECURITY POLICE SQUADRON and, I believe, two of Thai Guard's, made up Tiger Flight. One evening in March we learned that SSgt McFadden had tragically drowned at the beach, earlier that day. It was rough to hear that he had drown at the beach, on base, in the Gulf of Thailand. He was our section leader on Tiger Flight, 635<sup>th</sup> SECURITY POLICE SQUADRON, in March 1971. We did not really realize then, how those days would never be forgotten, even after many years. *The Sarge was A Good Man.* Mike Quinlan, E-4, 635<sup>th</sup> SECURITY POLICE SQUADRON, MAR-JUN 1971.

**Description:** Gunshot/horseplay with weapons. From: CLIFFADIO@aol.com. Subject: VSPA: Memorial of AP/SP KIA or Line of Duty was just perusing the memorial and saw the entry for NEEL, Robert Ray was incomplete. Bobby was killed due to a weapons horseplay incident at CAM RANH BAY AIR BASE. I believe he was on in- country R & R from the 14th or the 90th SECURITY POLICE SQUADRON at NHA TRANG, having departed PCS from CAM RANH BAY AIR BASE for NT earlier. Anyway, perhaps his memorial will be able to be complete now. *Thanks, Clifford Wilson*

**WHITFIELD, JESSE J.**

Sgt - Air Force  
UDORN RTAFB, THAILAND, 432nd SECURITY.  
08 OCT 1970 Non-Hostile.  
Body was Recovered.

**Description:** Accidental Self-Destruction: Gunshot – I am not a member of VSPA, but I am well aware of one of our fallen that you have listed on your website. I was a Security Policeman for 22 years and retired as a MSgt on 1 JUN 1989. I was Sgt. Jesse Whitfield's Flight Chief at the time of his death. At the time his death occurred, he was assigned to Det-1, 432nd SECURITY POLICE SQUADRON (Nam Phong Airfield, Thailand). Our TDY site was located approximately 60-70 miles south of our main base at Udorn RTAFB. Jesse was a quiet, yet humorous young man. He bunked in the same trailer as I did. His room was right next to mine. I do not know what compelled Jesse to do what he did on that fateful night, but; I will never understand why. He was a "good" troop. He never gave any indication that there were any problems in his life. If there were problems, he hid them well. As I said earlier, Jesse was a good man and a fine 'Security Policeman.' I cannot give anyone any answers. All I can say is that Sgt. Jesse Whitfield performed his duties in an outstanding manner, and whatever his personal problems may have been, they didn't detract from his dedication to his duties. *Bill McGeorge, Sgt (USAFRET.)*
