**1. 633d Patch and Flash!**

The SF flash is based on the lineage of Operation Safeside. And the 633d AB Wing patch, I found in a box of loose AF patches in a local military surplus shop. It's a contemporary patch based on the old 633d design. The crossbow is distinct to Pleiku, highlands, Montagnards.

**Sarge:** Hey... anyone here likes trimming roses?

*I do Sarge...I do, I do!*

**Sarge:** ... that explains a lot--come with me Airman.
