PTSD

(c) 2014 by Don Poss

PTSD. like a roadblock gate to life...
descends at its own choosing.
Invulnerable. Indestructible.
Insurmountable.

Vietnam veterans who can:
Climb over it;

Those strong enough,
crash through it;

Those still with hope,
crawl under it;

The desperate,
tunnel under;

The overwhelmed,
are defeated;

The crushed,
are still in Nam
with no hope for R&R;
Drowning in dreams of
a troubled spirit;
Lost,
Lost...
And forgotten
