

## **Ready on The Right...**

*Civil War*

(c) 2013 by Don Poss

Nothing uglier than civil war  
And war is never civil.

Shoulder to shoulder,  
their friends not abandoned,  
a volley quickly followed.

They stood in formation  
reloading their rifles as fast as  
they possibly could...

The otherside was ready  
*on the right* and  
*ready on the left...*  
and fired by line after line.

Tradition ruled the day.
