

## **Still There?**

(c) 2014 by Don Poss

I have known The Lord as my Savior since age eleven. I will soon be 70. I am grateful for His presence in my life, and for the doors He has opened and closed to me.

I have four brothers: one in Florida, one in Idaho, one in Las Vegas, and one in heaven. All of us living on earth are veterans; two of us still fighting the night war from Vietnam.

I wonder if there are some things that "Sorry" won't cut it with God?

*PS: 10/13/2023 - soon be be 80, Thank you Lord.*
