Convoy mission supporting Operation Iraqi Freedom.

Airman 1st Class Elizabeth Jacobson, 21, was providing convoy security Sept. 28 near Camp Bucca, Iraq, when the vehicle she was riding in was hit by an improvised explosive device. The Riviera Beach, Fla., native was assigned to the 17th Security Forces Squadron at Goodfellow Air Force Base, Texas. Airman Jacobson had been in the Air Force for two years and had been deployed to Iraq for more than three months. She is the first female Airman killed in the line of duty in support of Operation Iraqi Freedom. "She was an outstanding Airman who embraced life and took on all the challenges and responsibilities with extraordinary commitment to her country, her comrades and her family," said Col. Scott Bethel, 17th Training Wing commander at Goodfellow. "Her dedication to the U.S. Air Force and serving her country was evident in all aspects of who this young lady was," he said.

"Team Goodfellow and the San Angelo community are deeply saddened by this tragic loss of one of our cherished family members," Colonel Bethel said. "Our thoughts and prayers go out to her family during this difficult time. We ask that all Americans keep Airman Jacobson, her family and the men and women serving in the military, overseas and in the United States in their thoughts and prayers as they continue to keep America free."
