SUBJECT: Awards for the 4-5 December Attack on TSN

TO: Lt Col Myers

1. Attached are lists of various awards made or recommended for individuals who took part in the engagement of 4-5 December at Tan Son Nhut Air Base.

2. Most of the Purple Heart awards have been made and the individuals evacuated by air to CONUS. Those that have already been awarded are indicated accordingly.

3. It should be noted that one individual TSgt Hiatt, Gilbert H., was here at TSN on TDY. His actions were sufficient to warrant my recommendation for a Bronze Star.
