17. Tân Sơn Nhứt AB: Bunker BB7: Right side of bunker.
Extra ammo can and cleaning supplies were chained up in a transfer case in the rear of the bunker.

18. Tân Sơn Nhứt AB: Bunker BB7: Close up left side of BB7. We had a can of white spray paint and painted the numbers on a pole. also if you look close, there was a small lizard. My companion (this is a two man bunker) sprayed the lizard and you can see the outline.

19. Tân Sơn Nhứt AB: Bunker BB7: This is looking inside BB7. They were made of 3/4" steel with a wall like the insided of a house with dirt in the middle. In front of the bunker were sandbags and then 55gal. steel drums. also there was a cyclone fence surrounding it. this was tp prevent mortars hitting the front.

20. Tân Sơn Nhứt AB: Bunker BB7: This is **051-Bunker** looking from the rear.

21. Tân Sơn Nhứt AB: Bunker BB7: Shows left side of BB7 from a distance.
Notice the shell fuel tanks in the background. If they went up so would we. *Oh well.*

22. Tân Sơn Nhứt AB: Bunker BB7: T-16 showing the fenceline to the rear/right with Bravo-Bunker-8 in the rear, the two story one with the pointed roof. Towers in background.

23. Tân Sơn Nhứt AB: Bunker BB7: 051-Bunker, viewed from rear.
