Be part of this historic publication!*

VIETNAM SECURITY POLICE ASSOCIATION COMMEMORATIVE BOOK

Several months ago you received a special invitation to be part of a new historic book published by the Vietnam Security Police Association and Turner Publishing Company. Many of you have responded by submitting your biographies, stories and photos for inclusion, but still hundreds of you have yet to participate—***this is your second chance!***

The new Vietnam Security Police Commemorative Book will feature the history of Security Police in Vietnam and Thailand, and will also include personal stories of service, photographs, and biographies from our membership. Biographies are brief vignettes (approx. 150 words) detailing individual military histories, with “then and now” photographs. *Your help is needed to tell the complete story of Air Police & Security Police in Southeast Asia and the important role military personnel play in our Nation’s defense.* The book will also contain an In Memoriam Tribute to Air and Security Policemen who died while serving, the history of the VSPA with roster, hundreds of powerful photographs, and much more.

The Vietnam Security Police Association Commemorative History Book will be a large, 9 x 12 -inch “coffee-table” book with hundreds of pages, and bound in a sturdy cover sporting the emblems of the VSPA and Air Force Security Police—the perfect keepsake for all Security Police veterans and family members—sure to be handed-down from generation to generation. ***Don’t miss out on this opportunity to record your thumbprint in VSPA History!***

We also encourage family members and associate members of the deceased to sponsor biographies honoring our fallen comrades. *There will be no cost to have your material(s) included.*

HERE IS WHAT YOU NEED TO DO

- ☆ Submit your 150-word (approximate) personal biography;
- ☆ Submit two photographs, one military and one current picture;
- ☆ Write a special memory, assignment or event as they relate to Security Police in Southeast Asia;
- ☆ Send any group/action photos, maps, patches or other materials for consideration in the book, with captions (*all materials will be returned to you*);

I also encourage you to reserve your own copy of this tribute for the special price of \$54.00. The number of books printed will be based upon the number of copies reserved in advance, ***so you must order this limited edition publication now to be assured of receiving a copy!*** Please join me in support of our new book.
