

VIETNAM SECURITY POLICE HISTORY BOOK

To My Fellow Air Policemen and Security Policemen,

The Vietnam Security Police Association was formed for many reasons: To preserve the history of our service in Vietnam and Thailand, to ensure that the hard lessons learned in Vietnam and Thailand would not be forgotten, to reunite friends and to preserve the memory of our fallen brothers. Lessons of life and death, forged in war, tempered in battle that, when remembered, will generate pride for those who fought and bled with us. This book will be a legacy for our families and children, as well as an inspiration for current Security Forces personnel who rely upon our history to survive the intensity of being under attack while defending an Air Base.

If you have a story you would like to see in print, then get it together now. Our goal is to produce a highly readable, entertaining and informative book that will fulfill our mandate to preserve our history in Vietnam and Thailand. The publication will provide historical information in the form of a remarkable collection of intensely personal stories, photographs and biographical information written by you – the members of the VSPA.

Mail your story to Turner Publishing for possible inclusion in the book. Please limit your story to 2,000 words and include any photographs you have. Write your name and address on the back of each photo. We will also need a caption for each photograph that includes the names, location, date and the event that is taking place. Do NOT send photocopies of photographs!

PARTICIPATING IS EASY

This book will include stories, photographs and personal biographies of our members who served as Air Policemen, Security Policemen and Augmentees in Vietnam and Thailand. Submit your material today before it is too late. There is absolutely no obligation to buy and there is no charge to have your story and photographs included. If you served as an Air Policeman, Security Policeman or an Augmentee in Vietnam or Thailand, then you have a story to tell. Write it down for inclusion in this book and preserve your history for generations to come. After all, this is our history! Let's not be forgotten. Do not allow our hard fought lessons to be thrown away.

- Submit your free 150 word personal biography to Turner Publishing Company using the form on the reverse side of this brochure. Send along two photographs: one photo of when you were in the service and another, more recent photograph. A 15 cent per word charge will apply to the words in biographies that exceed 150 words.
- Write a separate story about an experience you had while serving as an Air Policeman, Security Policeman or as an Augmentee in Vietnam or Thailand.
- Submit any historical photographs that you would like to have included in the book.
- You do not have to order a book to be included and all materials will be returned to you after the book has been published.
- Don't worry about your writing skills. The Turner Publishing Company editors will make your story suitable for publishing!

You may submit your story in handwritten form, typewritten, or printed using a computer. Just be sure to send a story about you, your friends and memories of being an Air Policeman or Security Policeman in Vietnam or Thailand.

We want as many biographies of VSPA members as possible for inclusion. We are in touch with over 1,500 former Air Policemen and Security Policemen and have over 700 active members, so keep reading for more biographical details.

You do not have to order a book to be included. All materials will be returned to you after the book has been published.
