TO: All CBPOS

CBPOL;92- 050

1. CBPO action offices for this letter are DPMA, MSPA, DPMAP, MSPAP.

2. At Atch 1 is the working copy of the new revision of AFP 900-2, Vol III. The revision incorporates AFP 900-2, Vol III, Jan 81; CBPOLs 87-24, 88-17, and 89-28; and other awards approved by the Air Force Personnel Council and MAJCOMS between 1 Jan 81 and 31 Dec 91. It also includes awards approved for Operation DESERT SHIELD/DESERT STORM. *but not campaign streamers*

3. We have reviewed and edited the proposed pamphlet several times. You may use it to determine individuals' entitlements to awards. If you notice any erroneous information or missing awards, please inform your MAJCOM.

4. We haven't received the list of units entitled to display the Southwest Asia Service Medal streamer yet. When we receive that information, we'll add it to the pamphlet and go to press for an official AFP 900-2, Vol III, Jan 93.

5. Please direct your questions and comments to your MAJCOMS. If they cannot help you, they will contact our POC, MSgt Kilbride, AFMPC/DPMASA, DSN 487-5880, for assistance and then get back to you with the information you need. Thank you.

Awards, Ceremonies, and Honors

UNIT DECORATIONS, AWARDS, AND CAMPAIGN PARTICIPATION CREDITS

APPROVED: 1 January 1981 - 31 December 1991 w/
Operation DESERT SHIELD/DESERT STORM

AFP 900-2, Volume III, is intended to assist commanders and consolidated base personnel offices in determining unit honors and individual eligibility to wear medals, ribbons, and other appurtenances relating to unit decorations and honors. It applies to all Air Force units including the Air Force Reserve and Air National Guard. AFP 900-2, Volume I, 15 Jun 71, contains information on unit decorations and honors through 1969, and Volume II, 23 Nov 81, contains information on unit decorations through 1 Jan 81. Both should be retained in their present forms as Volumes I and II. This Volume III contains information on unit decorations and honors from 1981 to the present.

1. Entries in Personnel Records. CBPO/DPMAP/MSPAP or Orderly Room personnel will complete the AF Form 104, Service Medal Award Verification, update the personnel data system, and forward the form to CBPO/DPMAR/MSPAR for file in the field personnel records.

2. Submitting New Evidence. The information herein does not deny or rescind any campaign participation credit or decoration due any unit because of omission from this pamphlet. The data presented are subject to correction as new evidence becomes available. Inquiries regarding entries should be forwarded through channels to AFMPC/DPMASA, Randolph AFB TX 78150-6001.

3. Eligibility Criteria. Unit and individual eligibility criteria for awards and decorations described in this pamphlet are prescribed in DOD 1348.33-M and AFR 900-48.

4. Explanation of Codes. Two types of codes are used in this pamphlet: a numerical and an alphabetical code. The numerical code identifies Southwest Asia service campaigns listed in paragraph 5 below. The alphabetical code indicates special honors and entitlements as cited in paragraph 6 below.

5. Numerical Codes for Campaigns:

CODE	CAMPAIGN DESIGNATION	INCLUSIVE DATES
73.	Defense of Saudi Arabia	2 Aug 90 - 16 Jan 91
74.	Liberation and Defense of Kuwait	17 Jan 91 - 11 Apr 91
75.	Cease-Fire Campaign	12 Apr 91 - to be determined

6. Alphabetical Codes for Special Honors and Entitlements:

- A. Assault Landing Credit
- B. Berlin Airlift Device
- C. Medal for Humane Action
- D. Korean Service Streamer
- E. Army Meritorious Unit Commendation
- F. Navy Unit Awards
- G.**Armed Forces Expeditionary Medal Streamer
- H. Remarks (explaining any entry as required)
- J. Foreign Unit Awards
- K.**Southwest Asia Service Streamer
- L. Other

**Although a unit may be entitled to display the streamer for a campaign, this does not mean that all personnel of the unit are entitled to credit for the campaign or are eligible for the medal authorized for the campaign (e.g., AFEM or SWASM). It is possible that not all personnel of a unit deployed to the area of operations. Therefore, determination of eligibility for personnel must be made on an individual basis. Only those individuals who were in the designated area of operations during the specified periods may be credited with participation. In many cases, individuals may be entitled to campaign credit based upon TDY although their organization of assignment would not be entitled to display the streamer. Individuals who meet the eligibility criteria established in DOD 1348.33-M and AFR 900-48 are authorized the medals.
