**To Whom it may concern:**

The following is a listing of VSPA members who served as Augmentees with Air/Security Police (MOS 77150) during the Vietnam War, in Vietnam and Thailand. The first three Augmentees were killed in action or line of duty while serving with Air/Security Police. Without Augmentees' service with AP/SP Squadrons, Air Base security would have been in jeopardy and the Air Mission of the USAF in danger. Additionally, hundreds of Augmentees served with our squadrons who are not current VSPA members today.
