

**People of Iraq!**

Can you smell it?

Can you feel it?

Can you taste it?

Sweet Freedom!

Is your heart beating faster?

Do you feel euphoric?

Do you feel the freedom from your cruel master?

Are you experiencing the tears of hope and joy too?

Are you thankful for the Red, White and blue?

Freedom and Liberty at last!

People of Iraq!

The blood of American, British and Australian sons and daughter was shed so you can walk free on your own soil!

NOT for your oil!
