

The Piper's Prayer

© 2000 by [Howard Yates](#)

For Shelia Cain's Dad

The piper's tune is like a prayer,
But says much more than words can share.
Each note proclaims Amazing Grace,
And lifts our hearts towards Heaven's Gates.

So now our piper plays his tune,
An intercession just for you.
A tune that's played from heart and soul,
To seek His touch and make you whole.
