### **My Thoughts**

As we celebrate Independence Day we need to remember that our freedom is the result of many people whom have made a sacrifice for us to be here. Just think of all the things that you can do and accomplish in a free society that we are so fortunate to be in.

We tend to take our Freedom for granted and we need to remember and pay homage to the individuals that gave it to us. Also we need to never forget that there are millions of people whom fought for us to maintain the right to be free. Our Soldiers whom are now worldwide in places like Kuwait, Iraq, Afghanistan and all over the world need to know that we support them and are extremely thankful for what they do for us and our principles. It is the women and men like them that insure that we will be able to continue our rights and live in a free society.

Because of them and those who fought in past conflicts like World War I, World War II, South Korea, Viet Nam and other areas we are fortunate to be able to remember the sacrifice they made (some of them Ultimate like my friend Louis B Arnold who died on October 31, 1967 in Loc Ninh) to allow us to celebrate the holiday, remember what our flag stands for and Thank God that we are Americans from the United States.

These Guys and Gals gave all so you could be here and don't forget and make sure you tell them how much you appreciate them. When I display my flags I remember quite a bit from the past and while it brings back the painful reality of the past, my tears look forward to the day I will join my buddies.

God Bless America! I love it, and I always am thankful for being here, and I Never forget what made it possible!
