Dear Mr Mascara

Reference your letter of 25 May 1995 to Maj Gen Normand G. Lezy, Director, Legislative Liaison, on behalf of your constituent, Mr Robert G. Anisko.

Attached is a photocopy of DAF Special Order GB-58, dated 1 March 1966, that awarded the AFOUA to the 34th Tactical Group. We regret that we were unable to locate any personnel rosters in either the records of 34th Air Base Squadron, or the 6220th Air Base Squadron. However, we have provided pages from the history of the 6220 ABS that mention "key" personnel which were assigned to the unit. There were no similar entries for the 34 ABS.

Finally, Mr Anisko may wish copies of the organizational histories of these squadrons. We have included our AFHRA MICROFILM WORKSHEET which lists these records, and explains how he may get microfilm copies for his personal use.

If we can be of further assistance to you or your constituent, please let us know.

Sincerely

A handwritten signature in cursive script that reads "Richard S. Rauschkolb".

RICHARD S. RAUSCHKOLB

Commander

Although the Historical Research Agency maintains rigid microfilm processing quality controls, readability of offered microfilm cannot be guaranteed. While most is highly readable, some may not be because of the poor quality of an original document and inherent limitations in all copying processes.

Our microfilm rolls (these rolls hold approximately 2000 frames) may contain information unrelated to your request. Because the Historical Research Agency cannot selectively duplicate portions of any roll, you must accept the entire roll of microfilm to obtain the microfilmed documents indicated.
