

The Blue Beret

© 2006 by [Howard Yates](#)

I would like to dedicate this poem to my son, 2nd Lt. Kyle G. Yates, USAF.

Brave guardians who always stand
As beacons in the night
Securing peace with vigilance
Preserving all that's right.

Day after day they carry on
Committed to the law
Patrolling streets and walking beats,
Protecting one and all.

And should the force of tyranny
Endanger freedom's light
The ones who wear the Blue Beret
Step up to join the fight

From Air Force blue to jungle green
And desert cammy too
The Airmen of the Blue Beret
Forever, proud and true.
