Dedicated to Ian Yates and all of the American Warriors who have answered the call to defend our nation and other nations in their most darkest hours. Thank God our nation has always had the brave young men and women who were willing to risk their lives so that we could live our lives in peace.

We'll always be a strong nation unless we forget who gave us the freedom and safety we have today, it came from those who willing faced the dangers and the hardships of war and who have bought & paid for your own freedom many times with their own blood, sweat, tears and their lives by many courageous acts of selflessness by these young people who put the lives of others before themselves as they serve our nation and our citizens.

These sacrifices they have made for others will never be taken for granted or forgotten by their fellow warriors and brothers in arms, and those of us who are veterans and have faced those same dangers as they when we took our turn defending this great nation of ours. I hope our citizens never forgets who it is that pays for their own freedom and rights that they and their families all enjoy each day.

May the Good Lord Bless And Protect all those now serving our nation as they protect all of us and our freedoms as they face many dangers, and let us never forget those who went to the far ends of the earth before them who fought and died to preserve your safety and freedom many who are still suffering still today from wounds and illnesses they received while they protected and defended America's families.
