**First night on the Hill...
Adrenalin thrill...**

**Troops fall in...
No more grin...**

**First time here...
Sense the fear...**

**Reality check tonight...
These men are ready to fight...**

**First time hear...
Of enemy movement near...**

**First impression stays...
Many years and many days...**

**Closing thoughts of day#1
(*What did I get myself into?*)**
