BURIAL: Greenwich Cemetery, Saratoga Springs, NY. --- CoPilot: James Stanley "Jimmy" Closson (LOD) died by accidental drowning during a break with close friend SP Michael Dunn, at Da Nang's China Beach (RVN). Incident followup: Michael Dunn (Details): SP Michael Dunn, who trained with Closson in the USAF Security Police AZR course and deployed with him, wrote: They arrived at China Beach together for a break; and walked the coastline. Closson told him it was his first time seeing the ocean and asked Dunn to take a picture of him before entering the water. Dunn stepped away toward their picnic area; Moments later, others began yelling that "Jim went under." Days later, a Marine Witness stationed at Marble Mountain discovered a body on the beach near the NCO Club, believed to be Airman Closson. The Marine present when Closson drowned, and said the official recovery timeline was likely incorrect and that he personally notified medical personnel.	0584	12020	Saratoga	NY		(000) 000-0000	09/22/1951	21	LOD		10/31/2004

A lump in my throat, choking back sorrow only another warrior could note.	Decades have quickly passed, but their honor will forever last in the memory of that Asian war, so permanently cast. [SourceFind A Grave https://www.findagrave.com/memorial/228396807/robert_p_mathias]. - Jim Enckeson (Friend, fellow SPJ). I can see it as if it was yesterday. After Mayaguez was over we went back out to the crash site (maybe a week or two later, CRS) and bought back a piece of the site. A local farmer near the crash site had part of KNIFE-13's main rotor blade. We needed the pieces for the accident investigation team. The helicopter that crashed was from the 21st SOS (our sister squadron). They were the ones that put the Special Forces guys in behind enemy lines and went back at a specified time to get them. My squadron, the 40th ARRS, was strictly Search & Rescue. When Mayaguez went off, both squadrons were called to go on the operation and were "ending" crewmembers to fill helicopters. Some of our pilots were flying 21st SOS birds and some of their Flight Engineers were on loan to the 40th ARRS for the Mayaguez mission. Everything happened so fast. It's like we were notified mid morning the day before and the next day we were in U-Tapao. It was only a short time before the crash-- the crash site was only eight or nine miles from NKP-- they had just got on the helicopter and were flying out of the area heading to U-Tapao when it happened. It couldn't have been more than ten or fifteen minutes from takeoff. We usually flew around 200 to 1500 feet anytime we went anywhere (except for combat), 2/10/2000. Rest in peace good buddy!]. --- (2) 8/30/2007, Posted by Gary Linebaugh [I Was With Randy, the Night He Passed Away. We worked a bunker together that night, and he passed quickly and peacefully. He was a super guy! I never had an opportunity to speak to any of his	family members. Should they ever read this, I would just like to say you can be very proud of him. He was a great man and Airman. May he rest in eternal peace!]; (3)- 5/16/2019, by: Gary Linebaugh [51 Years] Hard to believe you've been gone so long. I remember our conversation that night as if it were yesterday. RIP my friend and fellow Airman!]; (4) 5/13/2022, by Gary Linebaugh; I remember you every year on MAY 15th, and think about you still; and often throughout the year! I finally had a telephone conversation with some of your family members, after all of these years. I can only hope our conversation helped put their minds at ease. RIP Randy, we will meet again!].		2114 93242		Laton		CA		(000) 000-0000	08/11/1951	20	LOD

I just gotten out	of USAF basic training when I found out Joe died. My brother had just came home from Washington and was one of Joe's paul-barers at his funeral; our hearts were torn out of our bodies. I think of Joe all the time and constantly tell my four sons of our times together. "We Love you, Joe." CARL. - Their sons Jeff, Robert, Vinnie, and Marcus. " - (2) Paul Cooley, (Former Commander Custer AFPS, MI, 38 Valley West Circle Napa CA; [As a new Lieutenant in 1966, I had the distinct pleasure of being Joe's Squadron Commander In a Security Police unit at Custer AFPS in Battlereck, MI. He was a fun loving young man who had a smile that could bring sunshine to a cloudy day. I recall, he received orders to Viet Nam while stationed at Custer. Years later, I learned of Joe's death in Viet Nam. I shed a tear for him then, when I was a young man, and now that I am an old man. Thank you Joe for your sacrifice.
