

VSPA HEALTH INFORMATION FORM

The attached VSPA HEALTH INFORMATION FORM is an essential resource for all of our members. It was developed by five VSPA Nurse Wives who are members of the VSPA Sisterhood and have attended many reunions. Recent medical emergencies at reunions have increased our awareness of how vital it is to have this information available during a medical emergency, especially if you are unconscious!

Please read all of the information, print and complete the form. **BRING IT WITH YOU TO THE REUNION. DO NOT SUBMIT IT TO THE REUNION BRAT.**

For those of you not attending the reunion, the form is vital for you to have available during a medical emergency, especially if you are away from home. The information will help you receive vital emergency medical care, especially if you are unconscious. Print several forms. Keep one in your car. Keep another in your suitcase.

We hope to see you in Charleston October -4 - 8 for our 28th Reunion.

PLEASE BRING THE COMPLETED FORM WITH YOU!"

[Click Here For The Form.](#)

Thanks for your patience and, again, I look forward to seeing you soon.
Jerry Nelson
President, VSPA

PS: Who To Contact for Additional Information, will post here shortly.
