Tet 1968: Every VSPA member knows of the valor and heroics of the 377th SPS while defending Tan Son Nhut Air Base at the infamous O51 Bunker. **David Summerfield (SMSgt, Ret)**, VSPA Life Member 186, submitted the following:

I saw somewhere that you were looking for pictures of SPs who lost their life in combat or Line of Duty in RVN. This is a picture of **Charles Hebron** who was assigned to me when I was NCOIC of the 377th SPS detachment at Vung Tau. This is shortly before he went on R&R in Hawaii, to be with his wife. He came back on 31 Jan 1968, *and was killed that night* in the O51 bunker on the night of 31 Jan 68. I really liked this kid and still think about him often.

Regards,
Dave Summerfield, SMSgt USAF, ret LM # 186
