

Det- of the Đà Nẵng AB Sapper Attack, July 1, 1965

A Mixed Thank You

Đà Nẵng, 1965 - SSgt Jensen drank coffee with us in the AMMO Area, just about an hour before the attack. I became a part of the TopDog45 Operation in the AMMO area. Time dims the memories of names but not the person. I had just stumbled across this web site by accident. My mixed thank you is for dedicating this page to him but has re-opened bad memories of sounds, smells, and sights. One day maybe only the good times and memories will remain. I have been told a trip to the wall will help, who knows.
