17. Đà Nẵng AB, K-9 Airmen constructing K-9 fighting-holes and bunkers. 1965-1966. Below names agreed upon by Lee Miller, Don Poss, Gary Knutson, and Don Jones.

Top Photo: **John Hemingway** (far-left, no shirt, hands on hips); **Gary Knutson** (Standing, second from right, white-t/s): The one next to Gary called APO to get an ok to pop a flare. As soon as they said no he popped it. Lit up a marine patrol. Marines were pissed... do you remember his name?; **Don Poss** (center-right, standing with back to viewer); I believe the guy on the right bending half way over is **SSgt Abb Campbell**. He was a black SSgt who arrived early 1966, after TSgt Rice. I think Rice arrived sometime in Dec 1965.

Bottom Photo: (Standing, far-right side with black shorts on) **Kingsley**; **Don Poss** (Standing without shirt, near airmen bent over lifting a sandbag).

18. Đà Nẵng AB (photo right, center): Photos on top of **Freedom Hill 327**.

I was sent up there in the middle of 1971. I had been calling in numerous rocket attacks coming out of the valley below, ASP-1. **1971.**
