PRESIDENT'S CORNER

Greg Cain, Life Member #62, Binh Thuy – 67-68

My Brothers and Sisters,

We are looking forward to our reunion in Tucson, AZ at Davis Monthan AFB in October. Sheila and I had a wonderful meeting in February with Bill and Janice Cummings who are Tucson area residents and did the groundwork for site selection. We visited the Desert Diamond Casino/Hotel complex next to the airport. The facility far exceeded our expectations by miles when compared to other not so nice selections. The staff was very cordial and professional and catered to all our requirements. They are very experienced in Veteran reunions and met our needs remarkably well. Expect a most excellent time! You can find specific information about the site by going to their website at www.ddcaz.com.

Please bring any informational items you wish to present or have presented to our members during the business meeting and we will make a spot for you on the agenda (Sisterhood too). This would include health updates, new potential events and personnel.

This past ugly winter was as bad as it gets. Fortunately Sheila and I winter in Central Florida and escaped the snow (Buffalo in Western NY). However Hurricane Irma ruined our roof and did interior ceiling damage to our home in Florida, but it was WARM.

Best wishes and God Bless you all.

Greg Cain, President
Binh Thuy 67-68

THE VSPA SISTERHOOD

Sheila Cain, Sisterhood President

Brothers and Sisters,

The time has come again to start making plans for the next reunion.

2018 will take us to Tucson, Arizona. The Desert Diamond Hotel and Casino will be our home for the reunion. There will be planned activities and plenty of free time to “schmooze” with your brothers and sisters.

2018 has also been a sad time as two sisters have gone to their heavenly home, Darlene Holstein wife of Brother Richard Holstein and Linda Beam, wife of Brother Robert Beam. Please keep them in your thoughts and prayers.

With the summer season ahead it is my hope that you all have a safe and healthy summer.

As always, I am available to the Brotherhood and Sisterhood anytime. Feel free to call me at 716-480-9101.

Sheila Gervase-Cain, Sisterhood President
Wife of Greg Cain, Binh Thuy 67-68
smgervase@yahoo.com

Dear VSPA Members and Guests,

Two different couples from the VSPA (Greg & Sheila Cain and Bill & Janice Cummings) have inspected the Desert Diamond Casino and Hotel in Tucson, Arizona. They have attended several of our reunions and are very familiar with our reunion requirements, including those for the Sisterhood, the BX and the Hospitality Room. They met with the Reunion BRAT and the special event staff at the hotel/casino to ask extensive questions prior to agreeing to this contract. All of the questions were based upon comments and concerns from members who attended our last reunion. After two different inspections, the inspection teams feel that the Desert Diamond Casino and Hotel will be an outstanding venue for our reunion. The food is excellent, the rooms are very nice, and the areas for the BX and Hospitality Room are both easily accessible for all members while also providing enough space for our members.

Members who attended our last reunion also expressed concern regarding fatigue and the extended day while on base. Therefore, our planning for events will reduce the time on base Thursday. We will leave the hotel Thursday morning and go directly to a local cemetery where we will hold a memorial service for Sgt Millard Lehman who was KIA at Binh Thuy. At the conclusion of that memorial service, we will move to another area of the cemetery a short distance away to hold a memorial service for SMSgt Steve Porovich who died at Tan Son Nhut immediately following a mission that he had led on base. Afterwards, we will go to Davis-Monthan AFB to meet briefly with Security Forces troops and then go to the BX. We will eat individually, on our own, at the BX food court. All buses will return to the hotel by 1430 hours. There will be an optional tour of the Pima Air & Space Museum and their static displays on Friday. If you want to eat, there is a grill inside the museum. All buses will return to the hotel by 1430 hours. Our goal is to provide an opportunity for a reunion with less physical demands and more time to visit with each other.

Due to time concerns and gaming laws, we will not be selling raffle tickets during the awards banquet. However, the raffles are vital to paying for all of the beverages and snacks in our Hospitality Room. Raffle tickets will be sold in the Hospitality Room and the BX and, thereby, reduce the time required for our banquet, allowing us to adjourn earlier.

AGENDA: The agenda is generally accurate, but is subject to change due to base operational requirements for the 355th Security Forces Squadron and their Op Tempo for a base visit:

- **October 3rd:** Wednesday morning GOLF at approximately 0800. If you would like to play, please contact Pete Piazza wpiazza@aol.com 1-405-670-3101
- **October 3rd:** Wednesday evening Reception dinner buffet
- **October 4th:** Thursday graveside memorial services for Sgt Millard Lehman, KIA Binh Thuy, and SMSgt Steve Porovich of Tan Son Nhut; brief squadron tour. Lunch. Evening open.
- **October 5th:** Friday OPTIONAL TOUR of PIMA Air and Space Museum. Lunch on your own at the museum. Evening open.
- **October 6th:** Saturday morning VSPA Business Meeting. Afternoon open.
- **October 6th:** Saturday morning VSPA Sisterhood gathering of wives and companions. Afternoon open.
- **October 6th:** Saturday evening banquet dinner, awards and raffle.
- **October 7th:** Sunday morning memorial service – reading of the names. End of reunion.

If you have a question or need some more info about this reunion, please contact VSPA President Greg Cain gjcain@roadrunner.com or VSPA Sisterhood President Sheila Cain smgervase@yahoo.com or, call them at (716) 771-1157. We hope to see you in TUCSON for our 24th Annual VSPA Reunion!

2018 ELECTION OF VSPA OFFICERS

The VSPA's By-Laws call for elections of officers every two years, with all current members being given an opportunity to vote. Current members may vote in person by attending the business meeting at the annual reunion, or by mailing in a written ballot, follows the bios of candidates. Each member may submit only one ballot.

There are six positions up for election: President, Vice President, Second Vice President, Secretary, Treasurer and Historian. The other positions on our board of directors (President Emeritus, Past President and Communications Director) are permanent positions as recognized by our Constitution and By-Laws. All other positions in the VSPA are staff positions appointed by the president and board based upon expertise and willingness to serve the members of the VSPA. Elected officers will be confirmed and installed after the voting is completed at the reunion in October. The term of office of all positions is two years. The positions do not receive a salary and are entirely on a volunteer basis.

VSPA members had until **August 1, 2018** to declare their intention to run for an elected VSPA position. They had to submit a bio and photo for publication in Guardmount. Each person who runs must have been a regular member or life member in good standing for at least two years prior to the election. Board members must have the ability to attend future business meetings that are held at our annual reunions. They must communicate via the Internet and by phone on a regular basis, and must make the commitment to provide the time necessary to serve in the position - none of these are ceremonial positions.

The duties of the elected board positions below are from the VSPA By-Laws:

PRESIDENT - The duties of the President shall include, but not be limited to:

- A. Act as Chief Executive Officer and Chairman of the Board of Directors.

- A. Assist the President in the discharge of his duties.

For President:

Jerry Nelson, CMSGT (Retired)

Life Member #668; Phan Rang, Phu Cat, Tuy Hoa 69-70

I have observed and read the comments about the skills and qualifications needed for the leadership positions in the VSPA. This has caused me to evaluate my goals and desires regarding my personal service in the VSPA. Almost six years ago, I was asked by the VSPA leadership to fill the vacated position of Secretary of the Association. Since that time, I have been elected to two more terms and intimately involved with the Association's activities with the Board of Directors. I have also continually volunteered for many other responsibilities that helped the VSPA. I truly have enjoyed my relationships with my Brothers and working to make the VSPA better for every member. The Brotherhood within the VSPA means the world to me and I will do anything to protect and improve it.

After discussions with my bride who is a member of the VSPA Sisterhood, and many, many members of our Association, I have decided to seek the position of the Presidency of the VSPA. I do not take this endeavor lightly and can promise, if elected, I will do all in my power to fulfill all responsibilities of that position to the best of my ability. I certainly appreciate all the former Presidents and their efforts to keep this a strong organization. I feel this is a pivotal time in VSPA history and a strong, independent leader is necessary. I believe that I am that leader. I will work hard to increase membership, always working with the Brotherhood to ensure its vitality and ensure the Board of Directors (BOD) work together to make this organization better for everyone. There are many important issues facing the Association in our future and all must be addressed and handled by the BOD. I believe in a strong, active BOD that actively works issues as they arise. One person cannot handle all the issues; therefore, delegation of responsibilities is imperative. I, if elected, will work tirelessly to ensure that happens.

I would like to provide a brief background of my qualifications and why I feel that I am suited for this position. I retired from the USAF as a Chief Master Sergeant after a 27-year career. I served in Security Police for 12 years in many supervisory positions. I also served 15 years in the Air Force Recruiting Service. My last position was as the Superintendent, 367th Recruiting Group and was responsible for slightly over 1,000 recruiters. After retirement, I immediately entered the business world on the Field Audit team with Primerica. I have been in the Company for 23 years and am preparing to retire in 2019. I supervise a Field Audit team that covers the middle part of the US. I have been in supervisory positions almost my entire career.

I have also served as the President of the Safeside Association since 2006. During those years, we have increased the size of the organization significantly and also incorporated as a tax-exempt organization, similar to the VSPA. We have also designed a memorial bench that was recently dedicated at the Defender Memorial located at the National Air Force Museum. With the cooperation of the Board of Directors, we have achieved many great things for our Association. I am very proud of our record of accomplishment during my tenure. I have already established a plan of succession for the Presidency of the Safeside Association, ensuring no conflict of interest between the two organizations. I was also selected to serve on the Board of Trustees of the Security Forces Museum. All these positions have provided me insight to the inner-workings of these organizations and enabled me to have a broader

vision. I believe that every position that I have held or do hold will certainly make me better prepared for the future challenges facing the VSPA.

I feel I am qualified for the position, want to serve our Association and would love to have your support. I want to be everyone's President and will work diligently to ensure any concerns or problems are addressed. I am available and willing to discuss any issues or concerns that you may have. Please contact me at jrnel1423@aol.com or call me at 210-273-4777. I look forward to discussing issues and/or seeing everyone in Tucson, Arizona in October. Welcome Home Brothers!

Cartoon by VSPA Member Larry Sutherland - RIP 2002

THE FOLLOWING CANDIDATES HAVE DECLARED THEIR INTENTION TO RUN FOR VICE PRESIDENT. THERE ARE TWO CANDIDATES FOR TWO POSITIONS: VICE PRESIDENT AND 2ND VICE PRESIDENT. *YOU MAY VOTE FOR BOTH CANDIDATES, BUT ONLY ONE FOR EACH POSITION.* THEY ARE LISTED IN ALPHABETICAL ORDER

For Vice President:

Larry Fleming

Life Member #131; Nha Trang 68-69

I am seeking the office of Vice President of the VSPA. I have been a life member since 2004. I served in the USAF from 1966-1970, first serving at Minot AFB, North Dakota, then volunteering for Southeast Asia to escape the freezing North. I was sent to Nha Trang AB arriving on 31 January 1968 with a welcoming barrage courtesy of the enemy. After Viet Nam, I was sent to Hamilton AFB, California, where I was honorably discharged in 1970.

I worked in management positions for cities and water utilities for almost 40 years: First, as Director of Public Works for two cities, followed by Director of Operations and Project Manager for a newly established water district in Texas. I retired for a second time in 2014, after overseeing multiple capital projects in excess of 25 million dollars. I coordinated work with contractors, engineers, state agencies and the Water District. All contracts were finished on time and within budget. I feel my experience qualifies me to serve as a board member.

My first reunion was Washington D C. in 2007. If you were there, you were probably moved as much as I was by the parade, the visit to Arlington National Cemetery and other activities. That year changed my life and I was welcomed into a brotherhood that will be with me until I die. I have not missed a reunion since.

In 2015 I was honored to participate in a “Wall Washing” at the Vietnam Veteran’s Memorial in Washington, D C. along with several of my buddies from Nha Trang and other VSPA members.

I am deeply connected with the VSPA and feel this is my time to become more involved in our organization. I hope to make a difference for the betterment of the entire membership. I am asking for your vote for Vice President in the upcoming election. **THANK YOU AND WELCOME HOME!**

For Secretary:

Bill Marshall

Life Member #85; Phu Cat 68-69

one could ask; however, due to the Vietnam build-up in 1968 that created a large demand for Security Policemen, I was assigned to Phu Cat Air Base. I am very proud that I was able to serve my country.

have stood in harm's way and who have risked their lives to protect their base and brothers. This bond, forged by a war 50 years ago, cannot be broken and will continue to the last man standing. I am a life member of VSPA. I have been the Second VP and Membership Chairman for several years and have monitored the web site bulletin board for seven years as the Bulletin Board Flight Chief. I have attended as many of the reunions as circumstances permitted. One of the most special moments of my life was to

I was born and raised in rural Van Wert County, Ohio where I worked on the family farm. I attended Ft. Wayne International Business College for one year prior to entering the United States Air Force in 1965. My assignments were primarily in SAC as an Air Policeman/Security Policeman with my first assignment at Grand Forks AFB. I was assigned to "missile facility top-side security." I was fortunate enough to be selected for a position with the SAC Elite Guard in 1967 to provide internal security for the headquarters building at Offutt AFB, Nebraska. I worked at entry control points within a building with 23 assigned Generals plus one Admiral, thousands of Colonels, Lieutenants, Captains and Majors. Additional responsibilities included: honors and ceremonies, funeral details and standboards for visiting dignitaries. This assignment was the best duty

My greatest pleasure was serving with other airmen who, in the spirit of duty and brotherhood, protected their base as well as each other. I was discharged in 1969 as a Staff Sergeant. I worked for the Hanes Knitwear Corporation for 25 years; first as a sales representative, then as a sales manager where I was responsible for 25 sales representatives covering six western states. I took early retirement in 1996 and started my own executive recruitment company, from which I recently retired. I am now fully retired and would like to give back to organizations like the VSPA which have been instrumental in bringing closure to my Vietnam experience while allowing me to initiate many new friendships throughout the USA. Because of this, I ask that I be considered for the position of Secretary. I believe very strongly in the VSPA and its motto "We Take Care of Our Own." I have been a member since 2001 and have repeatedly seen this expressed for a fellow brother. While we are all different, we share a brotherhood that can only be understood by those who

march with 400 VSPA brothers at the 25th celebration of “The Wall” in Washington D.C., paying tribute to those who served and to those who paid the ultimate price.

Additionally, this past fourteen years I created a web site that paid tribute to all the men who served on the SAC Elite Guard. From this initiative grew the SAC Elite Guard Association (SEGA) 501(c)(19), which now numbers over 700 former members and over 100 past members who have turned in their shield for the final time. I served as the first President of SEGA and presided over its incorporation during the first four years, acted as its webmaster the past two years and was reelected in May, 2010 as SEGA President. Upon finishing that term, I am currently the secretary. In 2015 I was appointed to the Van Wert County Veteran Commission as a Commissioner, responsible for the 3000 Veterans currently residing here. My duties are to insure their needs are met and to promote veterans rights as their advocate to the Veterans Commission. I am currently serving as the Finance Officer of my local American Legion Post 178. I am in charge of the Honors and Ceremonial guard that renders graveside honors services that average approximately 100 per year with additional Honor details as required. I am currently serving a 2 year term as a City Councilman for the city of Van Wert, Ohio. Having served the VSPA these past 17 + years, I believe that I am a capable candidate for Secretary.

For Historian:

Steve Shelt

Life Member #157; Pleiku 67-68

I have had a very diverse career within the federal government as well as private business and industry. My career began in 1966 when I enlisted in the Air Force. As a Security Policeman, I was assigned to the 410th Bombardment Wing, 410th Combat Defense Squadron, K.I. Sawyer AFB, Michigan; 633rd Combat Support Group, 633rd Security Police Squadron, Pleiku AB, Vietnam; and the 81st Tactical Fighter Wing, 81st Security Police Squadron, Bentwaters RAF, England. My most memorable experience in the Air Force was defending Pleiku Air Base during the 1968 Tet Offensive in Vietnam.

I separated from the Air Force in 1970 and pursued my college education while working as a warehouse manager for a pharmaceutical and hospital supply company. After graduating from Tiffin University with a Bachelor of Science degree in Criminal Justice, I made the decision to rejoin the military and entered the Army as a Military Policeman. I was assigned to the 554th Military Police Company, 385th Military Police Battalion, 18th Military Police Brigade, Patch Barracks, Germany; Headquarters U.S. European Command, Protective Service Detachment, Germany; and Forces Command, Law Enforcement Activities, Fort Sheridan, Illinois. My most memorable experience in the Army was leading protective service missions with the Multinational Peace Keeping Force in Beirut, Lebanon.

In 1987, I started my civilian career in federal service with the Department of Army, assigned as the Director/Physical Security Officer, Physical Security and Crime Prevention Division, Office of the Provost Marshal, Ft Sheridan IL. My responsibility included facilities and installations in six mid-western states assigned to the 4th Army. In 1989 I was recruited by the U.S. Department of Energy, Savannah River Operations Office (DOE-SR). During my tenure at the DOE-SR, I was assigned as a Team Leader, Branch Chief, Program Manager, and Division Director. I managed and directed a wide range of programs to include: Physical Security, Protective Force Operations, Intelligence/Counter-intelligence, Fire Protection, Aviation, and Emergency Management. I also directed the security mission for nuclear spent fuel being transported via ocean vessels from foreign country reactors to the U.S. as part of the Nuclear Nonproliferation Treaty. After 9/11, I was assigned a collateral duty to the FBI's Southeast Joint Terrorism Task Force, CSRA Joint Agency and Midlands Weapons of Mass Destruction Working Groups representing DOE Savannah River Operations Office.

I retired from federal service in 2007 and became a consultant to both private industry and the federal government on nuclear and petroleum security, terrorism, emergency services, and aviation safety and management. I completely retired from the work force in 2012. Post retirement I have volunteered with the Augusta Historical Society working on the National Veterans History Project collecting (videotaping) personal accounts of American war veterans for a better understanding of the realities of war. Those accounts are sent to the National Achieves so that future generations may hear directly from the veterans. I am a member of the county Community Emergency Response Team and volunteered 3 years at the Charlie Norwood Veterans Medical Center, Augusta, GA. I have also provided lectures to the current Air Force Security Forces on the emergence and tribulations of Air Base Defense in the Vietnam War. My favorite activity is backpacking on the Appalachian Trail and singing karaoke with friends. I am active with veteran's organizations such as the American Legion, Post 192, Vietnam Veterans of America, Vietnam Security Police Association (Life Member #157), and the Pleiku Air Base Association.

MPC - AKA, Funny Money & Monopoly Money

Mike Kennedy, Life Member #35, Bien Hoa AB – 69-70

Do you remember the jingle of change in your pocket while you were in Vietnam.” Well, only if it was in a dream or memory from “The World” before you arrived In-Country. That is because U.S. military and civilian personnel could not have or use U.S. currency in Vietnam. In place of the good old “American greenbacks,” everyone was issued MPC or Military Payment Certificates, more affectionately known as Funny Money or Monopoly Money by the troops. MPC Series 681 was in use during most of my tour in 1969 and 1970.

The Bureau of Engraving and Printing produced MPC for the U.S. Department of Defense. MPC originated from the Allied Military Currency (AMC) that was used during World War II. A trial run of MPC was carried out within the Pacific Command in July 1946. The Secretary of War approved the use of MPC and the first MPC series (Series 461) was issued in September 1946. There were thirteen series of MPC designed and/or produced between 1946 and 1973, including four series issued during the Vietnam War (Series 641, 65-68; 661, 68-69; 681, 69-70; 692, 70-73). The DoD has not issued MPC since 1973 and cancelled the program in 2003.

Military Payment Certificates – Vietnam 1969-1970 – Series 681

5¢, 10¢, 25¢ and 50¢ notes

Front

Back

MPCs were elaborately designed products. All notes had four-color faces and two-color backs and the sizes of notes varied according to denomination. Lower denominations of 5¢, 10¢, 25¢, and 50¢ were small in size; \$1 notes were medium size; and \$5, \$10, and \$20 notes were large.

MPC could be used on designated overseas military bases when any of the following conditions existed:

- there was a risk for large amounts of U.S. dollars falling into enemy hands
- the introduction of U.S. dollars into an area could devalue the local currency
- the local government prohibited the use of U.S. dollars by U.S. forces
- the military operation was anticipated to last more than 180 days

If you didn't bring any home with you, MPC is available for veterans who want a souvenir or for collectors; the different notes are available through sources like eBay and even specialized coin and currency brokers. However, you can expect to pay a high price for well-preserved samples. As an example, a recent eBay listing had a 10¢ MPC note selling for \$14.95, or 150 times its face value.

Good Night Vietnam

ADRIAN JOSEPH CRONAUER

Airman Who Coined The Now Iconic Phrase 'Good Morning Vietnam' Has Passed Away

Air Force and Vietnam Veteran Adrian Cronauer, 79, of Troutville, VA, passed away on Wednesday, July 18, 2018. Adrian Cronauer served as a disc jockey with AFVN - American Forces Vietnam Network in 1965-66. "Gooooooooood morning, Vietnam!" was Cronauer's signature sign-on for his morning "Dawn Buster" show. His on-air personality and musical selections provided a welcome break from the toils of war for the troops in Vietnam. Cronauer later became the inspiration for Robin Williams' role in the movie "Good Morning Vietnam." After leaving Vietnam, Cronauer went on to a successful career in radio and television broadcasting before operating an advertising business and going into law. Adrian Cronauer was the keynote speaker at the Vietnam Security Police Association's 1998 Reunion in Washington DC. While he may have been in Vietnam before many of us, all of us can recall the enjoyment we got from listening to Adrian Cronauer and the others who followed.

So now we say "Good Night Vietnam" to an icon from our time in Vietnam.

From the left: Steve Gattis, Brian Thorne, VSPA President Mike Daoust, Adrian Cronauer, Gary Linebaugh, VSPA Secretary Steve Ray.

Everett Squires presents a VSPA challenge coin to Adrian Cronauer at a meeting of the Eagle Chapter AF Security Police Association at JB Anacostia-Bolling a few years ago.

Gattis, Thorne, Daoust, Linebaugh and Ray all served at Cam Ranh Bay. Gattis, Thorne and Daoust lived in the same hooch. This was the first time that they had seen each other in 30 years.

It Was Just A Flag!

Mike Kennedy, Life Member #35, Bien Hoa AB – 69-70

Saturday, January 20, 1970, was just like any other night for the 3rd SPS Charlie Flight at Bien Hoa Air Base. It started off with checking out weapons from the armory and doing the usual pre-shift check of my APC, then attending Guardmount. Guardmount included the usual briefing on local activity and intelligence. There were no unusual threats reported for our area that night. After breaking Guardmount, the other three members of my QRT and I did our final check of weapons and equipment, and we headed out to our assigned position on the east perimeter. Besides being in charge of the east perimeter

QRT, I also drove the APC.

After driving around the southern perimeter of the base, we arrived on the east perimeter and took our usual position behind a berm that was next to a small drainage ditch just north of the “infamous” Bunker Hill 10. The crew checked out the small sandbag-reinforced foxhole that they had dug into the end of the berm a couple months earlier; and we all then settled in for a long, but hopefully quiet shift.

After several uneventful hours on post, we got permission from CSC to take the APC to the motor pool to refuel and notified the area SAT that we would be out of the area. After refueling, we made a stop at the Aerial port terminal to get some coffee and snacks from the canteen before returning to our post. Once back on post, we again settled in for the remainder of the shift and the usual conversations about home and an occasional war story.

Our long boring night was suddenly interrupted at 0456 hrs with that well-known radio call; “10-88, 10-88, Incoming, Incoming!” That was immediately followed by the familiar howl of the base air raid siren. The official records show that Bien Hoa was hit with eight 122mm rockets that morning. Ultimately, it resulted in approximately twenty-six injuries indirectly related to the attack and one damaged C-130.

Since the attack occurred just over an hour before our usual end of shift, CSC directed all Charlie Flight personnel to remain on post longer, as a precaution, for any further enemy activity. An hour or so later, the area SAT came around and delivered the requisite C-Rations. So, now all these pale-skinned night shift defenders are sitting around on post in the glaring sunlight, all keyed up after a night of boredom and late shift attack.

As was often the case, all the guys started telling more war stories and talking about what we could do to blow off steam, show some esprit de corps and let others on the base know that the “Thundering Third” was alive & well as we proceeded back to the squadron compound. All of the guys on the crew said we really should have a flag we could fly from the APC. Unfortunately, our APCs weren't equipped with flagpoles or even a radio antenna to fly a flag in those days. A great idea for the suggestion box, although I don't remember the squadron having a suggestion box either. Finally at about 1000 hrs, CSC released Charlie Flight personnel to breakdown their posts and everyone started to return to the squadron area.

So, now as they say, the names have been changed to protect the innocent as I finish the story. Well, actually after almost 50 years, I have lost all records of those involved and have forgotten the names, so it is just my name.

As mentioned earlier we were normally required to drive the APCs on the perimeter roads going to and coming from posts, but on this particular day I got permission to take a short cut through the base. The route I used took us past the base headquarters building. As we passed headquarters our path was suddenly blocked at an intersection by a 3rd SPS jeep and a very irate Major. Initially I didn't understand why our squadron second-in-command was screaming at me, but it soon became clear. Two of the guys on my crew were sitting on top of the open gun bay hatch holding a flag aloft that I was unaware of. While it wasn't funny or enjoyable at the time, this was the beginning of an even longer day touring the "Chain of Command" from top to bottom and back to the top again several times.

The Major demanded that we give him the flag immediately and report to CSC. The flag he took was a state flag, which had a pattern resembling a Confederate Flag. I know it looks bad, but wait. When we arrived at CSC, we were met by our Flight Chief who briefly chewed me out along with the two guys who were flying the flag. He said that we had to report to the squadron commander's office later and we would be well advised to get a haircut before reporting. After briefly reprimanding me and the other two guys, the Flight Chief laughed and said our biggest mistake was getting caught. He also said he thought it was funny because the flag the guys were flying was his home state flag. Although none of the three of us really needed a haircut, we managed to get one (just in case) before reporting to the squadron commander's office.

The real ass-chewing came in the squadron commander's office. The officers present demanded to know why we were flying the flag and who authorized it. After explaining that it was just something to blow off some steam after the earlier rocket attack, the guys flying the flag said they made the decision on their own. The Major asked if we were trying to cause a race riot and said that we should have known that the flag had the potential of causing a racial issue. He went on to state that a 3x5 inch Confederate Flag had caused a near race riot at the NCO club just a couple weeks earlier. We explained that while two of our QRT teams had been dispatched to standby outside the NCO club as backup for LE personnel, we were never informed of the circumstances. I told the officers if I had known, I would not have allowed the team to fly that particular flag.

When we said it was just to blow off steam and show esprit de corps, the Major asked why we didn't fly some other flag or just fly a white handkerchief from the APC. I said that if we had a US or another appropriate flag we would have flown it, but we never considered a handkerchief or "White Flag" because we had no intention of surrendering to anyone. The end result was we escaped a possible Article 15 or a written reprimand in lieu of the ass-chewing from the commanders, who said they would be watching us for the rest of the time we were at Bien Hoa. I almost got in more trouble when I said that was fine because I only had a couple months left In-Country.

Now here is the funny part of the story. My QRT crew of four included three Caucasians and one African-American. It was the three Caucasians who were observed by the Major initially and had to endure what seemed like a near endless tour of the chain of command. The African-American crewmember was sitting down inside the APC and was not seen by the Major and, therefore did not get in trouble. In fact the rest of the crew agreed that we would not make any reference to him. The most amusing and ironic part of the story is that the guy who brought the flag out on post the night before was the guy who was NOT seen and did not get in trouble. He had borrowed the flag from a hootch mate and taken it with the idea of flying it if something happened.

All four of us had a good laugh about it later and agreed, "*It Was Just A Flag!*"

DONATIONS AND ESTATE PLANNING BEQUESTS TO THE VSPA

The VSPA is an IRS recognized 501(c)(19) military association whose membership is over 95% War Veteran. Therefore, all donations are tax deductible. Donations, Employer Matching Funds and Estate Planning are an essential part of our lives that provide for our families as well as the entities that have meaning in our lives. Donations and Employer Matching Funds provide resources to support our VSPA daily activities and annual operations. Planned giving in the form of a bequest to the VSPA in your will or trust ensures the future of our mission while also expressing your commitment to that mission and our brotherhood. Because the VSPA is a tax-exempt charitable association, your bequest may also reduce estate taxes. As an alternative, you may also make a gift that may avoid probate by naming the VSPA as a beneficiary on an IRA, insurance policy, other retirement plans or securities.

When making your donation or bequest, you may designate that the funds be used by our general fund in support of our mission, or you may specifically designate that the funds be used by one of our programs like the Jacob J. Chestnut Memorial Scholarship Fund to provide educational scholarships to our members and their descendants, or to assist a member in need. You and your employer can make the arrangements for your donation and their matching donation by sending your donations in a check made payable to the Vietnam Security Police Association.

Your attorney or financial planner can make the arrangements for your estate-planning bequest. Our Treasurer, Richard Garcia, will provide you, your employer, and/or your estate with a letter of acknowledgement for tax purposes.
