Hooch Area.**

I am a SPS from the early 70's. I have been looking for some long lost buddies, one is in this picture. His name is **Robert W. Adams** who was a K-9 Handler. Robert is the one at the far left, in the white short sleeve shirt. The picture was taken at Korat by the hooches, during his tour of: Feb.72 to Mar.1973. The rest of the cops in the picture are all unknown, but a few of them look very familiar but the names escape me. Robert and I hung out together alot at Mather AFB in California when he arrived there from Korat.

I remember he was from a southern state. I got the picture from a former SPS Larid Worsham, the picture was given to him but he didn't know who any of the other Cops

were. Maybe someone will know where I could find Robert or at least put some names to the others. I am on quest to locate some of my old Cop friends and have found and remained in contact with 8 of them so far.
