I was stationed with Jacob Chestnut in 1961-63 at Hanscom Field Mass., with the 3246th Air Base Group, Air Police Division. We patrolled together and were on the same Flight. I remember him as a quiet, friendly and dedicated man. I was saddened to hear of his loss. His dedication to his country should be an inspiration to all of us.

Below is a B/W *Flight photo*, taken at Hanscom Field Mass, November 1962, showing A1C Chestnut in the front row, third from left. I am in the front row on the far left (A1C John Manzi). Notice the Air Police badges, as they are the original with the blue enamel. (Close ups of of the photo are also shown)

Also including are Orders (1 Feb 61) when we were promoted: I was promoted to A1C and JJ Chestnut was promoted to A2C.
