Telling it like it was!

1. The first photo is of 377th SPS B-Flight Guardmount. I took the photo sometime around April/May 1972. George Logan.

2. The 2nd photo is of "Otto" Snyder. Otto was a member of B-Flight as well as me. We were hooch mates. Otto's cube was at the rear of the hooch and mine was at the front. We were on the second floor. As best I can remember Otto was from PA.

3. TSN AB: These are some random pictures of the *Rubber Duck* at Guardmount; George Logan sitting on the rubber duck (below), and me and my best friend from TSN, Sgt David Falconer.

4. TSN AB: George L. Logan, sitting on Duck vehicle.
