

VSPA Membership Survey

After the Air Force, did you serve in Law Enforcement, Fire Fighter, Emergency Services, or a *closely-related field*?* If so, please advise:

1. Name of department, agency, or firm,
2. City and State,
3. Year(s) of service.
4. Retirement year if applicable.
5. Rank is optional.

If you worked for more than one department, list each individually answering questions 1-5.

*** Closely Related fields:** *Closely-related fields/careers stem from the core training and discipline founded in our service as Air/Security Police, may not generally fit the categories of LE, Firefighting or Emergency Services.*

After Vietnam, there was an increase in the demand for professional private security (*not the Mall cop*) services. If you went into agencies such as Secret Service, providing VIP and Diplomatic Security; nuke security specialists and nuke transporters for Department of Energy; space shuttle and other NASA programs; covert operations for the military (as a DOE civilian); or Blackwater/Xe type enterprise, or a similar field, then you are invited to participate in the survey.
