**The Pledge**

**As a Life Member of the Vietnam Security Police Association**

*I freely pledge, for the rest of my life ...*

*Loyalty and support to my fellow United States Air Force security warriors. I will preserve the history of our comrades at war, and tell of their valor in defense of Eagles. To the best of my ability, I will share the legacy of valor and honor won by those who fought and died and fought and lived in defense of the fortress. I pledge this so all will know: the price paid for safe havens and free blue skies is the red blood of defenders of the fortress... and shall never be forgotten.*
